

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Cong. Omar Burleson's weekly newsletter this week seems very timely with the current happenings in some of our universities.

Because we like what he has to say about the campus uprisings we are running his newsletter here in full.

"The Department of Justice has available to it several laws which could be invoked to seek indictments against instigators of disturbances on college campuses. Laws related to interference with military recruitment are a case in point.

"Primarily and essentially, the responsibility for the maintenance of order on college campuses is that of the school's administrators and trustees. The least desirable remedy is the Federal Government's intervention but some may be necessary.

"The prevalent excuse for the militants' behavior is opposition to ROTC programs and military recruiters on college campuses. This becomes a direct Federal problem. General Leonard Chapman, Commandant of the Marine Corps, has made public the fact that some college administrators not only are failing to control student take-over but are denying recruiters facilities to obtain volunteers. Both the Army and Air Force are having the same experience.

"Militant students on many college campuses are protesting the maintenance of courses for officers training. Of course, our enemies are the benefactors of this conduct.

"There seems to be an attitude on the part of some college and university officials that the anti-war protesters should not be dealt with instantly, even when buildings are seized and the campus authorities are threatened unless student demands are met. It is obvious that in a great many instances if protesters were not against the Vietnam war and research in connection with defense preparations, some other excuse would be found, but this is the one in which the Federal Government has a stake.

"The opportunity is at hand for the Federal Government to ask for indictments and tell these revolutionary students that when a nation is at war, their conduct is aiding and giving comfort to the enemy. Even the Supreme Court has recently said that "demonstrations" can not be viewed as free speech when violence or the use of force is involved. This is "the law" and those students who insist that they can impair our military position by force and violence should be shown otherwise.

"To bolster present law, several of us in the Congress have introduced legislation to cut off Federal funds to any college or university in the Land where rioting and disorders are taking place if, and only if, responsible officials of the institution sit back and make no effort to restore order immediately.

"There are few colleges and universities in the Country which do not receive Federal funds in some form or other. There is already a provision in law which terminates the individual college student's funds when he is found guilty of the type of conduct now taking place but unless school administrators cooperate in establishing guilt, its effectiveness is lost. If, however, all Federal funds are cut off from the school itself, results may be produced.

"There are two approaches to this problem. We can do nothing, or a realistic approach can be made to help a few timid or indecisive administrators in these colleges and universities face up to their responsibilities. It must be they and not their students who run the campuses.

"The sheep dog would have to be very smart and his shepherd pretty stupid, if the dog had to decide what

time to put the sheep up at night. The right to legitimate dissent and discussion on our campuses is an important tool in the process of learning but dissent becomes an enemy of education when it denies the learning process to those who are not dissenting. Militant students protesting for absolute freedom deny freedom to those who are enrolled in the institution for the simple purpose of getting an education.

"It is to be emphasized again that the legislation introduced is not to say that the Federal Government should walk onto any campus and apply its police powers. This can and should be done by the people charged with the responsibility of running the institution and teaching our young people. If this responsibility is not met by the proper officials, then it seems not only right but the responsibility of the Federal Government to look for a better place to spend the taxpayers' money to assist in educating our young people.

"This in itself should be enough to apply the pressure of withholding funds but, in addition, the bombing and arson aimed at ROTC and selective service recruitment is a criminal act which should be dealt with. There is no guesswork at the intent of the Students of a Democratic Society which is the core of the revolutionary tactics on many campuses. In January they passed a resolution, a part of which states "students alone can not and will not be able to bring about the downfall of capitalism" but could advance this objective by stepping up disruptive demonstrations on college campuses, by attacking police institutes, centers of counter-insurgency, and 'the repressive nature of America's police, courts and military.'"

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(April 11, 1924)

In the School Board election Saturday, H. E. Wall, Mrs. E. M. Wilson and Dr. J. F. Taylor were chosen to be the new members. With these and the old members the Board is composed of the following: W. A. Albritton, W. T. Patterson, J. V. Milsap, B. Moseley, H. E. Wall, Mrs. E. M. Wilson and Dr. J. F. Taylor. There were 477 votes cast in the election for trustee.

In Tuesday's City election 602 votes were polled, and as a result Hamlin now has a new Marshal, but the same Mayor and Aldermen.

John C. Turner was re-elected Mayor. Aldermen re-elected were J. W. Ezell, W. D. Eakin, A. E. Par-due and H. O. Cassle. For City Mar-shal Will H. Johnson defeated George H. Britton.

After the election some one turned in the fire alarm and with the sound of that, and the honking and clanging of autos and the fact that a big tent show band was in town, there was noise plentiful.

Sweetwater business men, filling 100 automobiles and accompanied by a good brass band, will make Fisher County next week. This bunch of boosters will make merry with band and speeches, all to get acquainted with their neighbors. Hamlin should give them a hearty welcome—and you bet we will.

Neinda Items: Quite a few of our citizens attended the pie supper at the school building, Friday night, given for the purpose of building a garage and storm cellar for the teacherage. Forty dollars was taken in. Harvey Sills has the honor of being the ugliest boy in the community and he got the cake.

TWENTY YEARS AGO
(April 1, 1949)

Harley Sadler, formerly of Sweetwater, but now of Abilene, widely known as an entertainer and after-dinner speaker, was selected as master of ceremonies for the annual Hamlin Chamber of Commerce banquet in the elementary school cafeteria Thursday evening.

Over 400 are expected to attend the annual CC Feed.

Hamlin's Pied Piper baseball team trounced the Anson club in a pre-season practice game on the Hamlin diamond Monday afternoon. The score was 11 to 2.

An additional 135 post office boxes have been approved for installa-

tion in the Hamlin post office, Perry Sparks, postmaster, was informed last week.

Mrs. Ross Fomby was appointed last week as representative of the Hamlin VFW Auxiliary on the City Planning Commission.

Final plans for showing of the picture "An African Adventure" were made by members of the Hamlin Lions Club in the Tuesday noon luncheon meeting.

Ted Armstrong, official of the Celotex plant, spoke to the Rotary Club at its Wednesday noon luncheon meeting, and discussed "Service is My Business."

Hamlin's track team won two places in the invitational track meet held in San Angelo last Saturday. Jesse Burditt, athletic coach, said.

Stapler won third place in the 880-yard race and Asa Goodgame was awarded fourth place in the 440-yard dash.

TEN YEARS AGO
(April 16, 1959)

Hamlin teachers will play host to members of the Jones County Teachers Association at the annual banquet of county teachers April 20.

Fire prevention posters prepared by two Hamlin school students will be entered in the state contests in June. The poster of Diane Bond was selected as first place winner in the junior high school division. The poster of Buddy McClung was second place winner in the elementary division.

Hamlin Garden Club members are busy working on the spring Flower Show, which will be presented April 25. Theme of the show is "Garden of Enchantment."

More than \$400 had been reported collected in the drive for funds in the Cancer Crusade at Hamlin up until Tuesday night, according to Holly Toler, chairman.

Contestants from the Hamlin Volunteer Fire Department placed in two of the three races conducted at Albany last Thursday. The local firefighters brought back \$20 in cash awards.

In the six man pumper race Hamlin was third with a time of 23.6 seconds. On the Hamlin team were Buddy Bryson, Stanley Burge, Ewell Mackey, Johnny Steele, Bill Harrison and W. L. Moran.

In the two-man hook-up contest Hamlin won second. On the team were Ewell Mackey and Johnny Steele.

WORLD WIDE INTEREST

Coleman Adv. Serv.

Many good organizations are working with our youngsters, developing an interest in other lands and

the ones who dwell there. The church through

God's word also teaches us about our

neighbors and what our attitude should be

toward them. *The earth is the Lord's and the fulness*

thereof; the world, and they that dwell therein.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Plans Complete for Annual Rolling Plains PCA Meeting

Plans are complete for the 35th annual stockholders meeting of Rolling Plains PCA according to J. L. Hill, Jr., President. Stamford High School auditorium will be the site and 11:00 a.m. is the hour when registration will begin, followed by lunch in the cafeteria.

The business session will start at 1:00 p.m. at which

time reports from the Board of Directors and Management will be heard.

Terms of two directors expires with the date of this meeting. They are Mack T. Claburn of Anson and Dean Decker of Childress. The 1969 nominating committee, in session in March, renominated both of these men along with Tony D. Jones of Anson and D. D. Chewing of Cee Vee. \$400.00 in cash prizes will be awarded in a drawing to be held at the end of the meeting.

Plans have been announced by the Board of Directors and the Management for further consolidation of points of service, due in part to higher operating costs and a shortage of personnel. The office now located in Paducah and Memphis and the former Wellington accounts will be merged into one office and located in Childress sometime in the near future. Loss of both manager and clerk in the Wellington office forced an early closing of that service point and a temporary transfer of those accounts to the Memphis office.

The Anson and Haskell offices were consolidated into the Stamford office

NEWS FROM ...

Sylvester

By MRS. R. M. BABB

Lovely Monday morning and many, many things to do, so will get along with this and then on to the other things. We have a Revival in the Baptist Church. Bro. Bill Cook of Immanuel Church in Odessa is doing the preaching and LeRoy McGillion of Winters, a student in H-SU is directing the music.

Ernest Kiser accompanied Mrs. Delia Beard back to Fort Worth for a visit with the John Tankersly family.

Sorry I missed last week's news but some times things come up that prevent us do-

ing some things. That was my problem so hope you will forgive me.

Easter Sunday Mr. and Mrs. Jack Perkins of Girard and Mrs. Elsie Moffett and daughters of Hamlin visited in the home of Mrs. M. D. Douglass.

Welcome to our community, the T. H. Wise family and the Lavoie Dickerson family.

Mr. and Mrs. A. J. Griffin arrived home on Thursday, they spent a lot of time in their home in Okla. City also, if they get tired of us here they go to Okla. and likewise if they get tired there they come here, some people have all the luck!

Mr. and Mrs. Richard Green spent this past week in Lake Jackson visiting their son, Dale and family, also riding down with them was Mr. F. E. Meek, he visited his son, Charles and family, and daughter, the Mahaffey family in Brazoria.

Mrs. Raymond Griffin has gone to California to be with her father who is very ill. Her children's grandfather Stephenson passed away last week in Alabama, sympathy to them.

Our sympathy to the family of Carl Bolton who passed away several days ago. Carl grew up in Sylvester, attended school here. He was blown from a tank in WW II and

was never in good health since.

Mrs. Ezell Whitten and Mrs. May Hurst visited last week with Mrs. F. E. Meek in the Holiday Retirement Center in Sweetwater.

Helen Sue Moore, Kenneth Ferguson To Wed May 2

Mr. and Mrs. William L. Moore are announcing the engagement and approaching marriage of their daughter, Helen Sue, to Kenneth Wayne Ferguson, son of Mr. and Mrs. Charles Ferguson of McCaulley.

The couple will be married Friday, May 2, at 8 p.m. in the Church of the Nazarene.

Miss Moore, a graduate of Hamlin High School, is em-

ployed by James E. Rodgers, CPA.

Her fiancé, a graduate of McCaulley High School and West Texas State University, is employed by the City of Abilene parks and recreation board.

The couple will live in Abilene.

Ann Marie (series star Marlo Thomas, tied to the tracks), rivals the hair-raising adventures of silent films' serial queen Pearl White when she gets "tied up" on an acting job as The Action Girl in a series of commercials, in "7½"—a two-part adventure—on ABC-TV's *THAT GIRL*,

Thursday, May 1 and 8.

Boyfriend Don Hollinger (series co-star Ted Bessell), researching an article on violence in television gets some "on the spot" reaction.

PROGRAM HIGHLIGHTS

When Don Hollinger is sent to the West Coast to do an article on Hollywood, Ann Marie decides to accompany him and try her luck at film and television acting, on ABC-TV's "That Girl," in color, THURSDAY, MAY 1.

In "7¼", first of a two-parter, Ann leaves with her boyfriend despite the objections of her father, Lou Marie, that a single girl does not travel to California with a single man.

Their Hollywood adventure begins with confusion over their room arrangements which adds fuel to Lou Marie's suspicions.

Marlo Thomas stars as Ann Marie and Ted Bessell

co-stars as Don Hollinger. Lew Parker is featured in the series as Lou Marie.

Ricardo Montalban guest stars as Nicholas Grobo, international fence who is negotiating for a stolen treaty which Alexander Mundy has been assigned to obtain, on ABC-TV's "It Takes a Thief," TUESDAY, APRIL 29.

In "The Galloping Skin Game," Mundy is faced with a conflict of interest. If he opposes his friend, Grobo, he knows that Grobo will be liquidated by foreign agents. However, if he does allow Grobo to get the treaty, the U.S. will be placed in an embarrassing position.

Every so often noted comediennes, comedians and even tragedians have a yen to turn aside for a moment from just acting, and show the upcoming young fry of show business how to do a dance routine and put the old English into it. That seems to be what CBS Television Network stars Carol Burnett and Lucille Ball are doing here, greeting Spring or something.

Hawaii: The Schwab's Drug Store of Today

Hollywood has outgrown the phenomenon of overnight stars discovered by producers in drug stores, in drive-in restaurants or at parties. Today, casting is usually a complex business with a slew of middlemen.

There's still a land of opportunity, however, in Hawaii.

Ted Thorpe, casting director on location with "Hawaii Five-O," the action adventure series on the CBS Television Network, says Hawaii is like the Hollywood of the '30s and '40s when actors and actresses were discovered daily, in unlikely places.

Hawaii's counterpart of the legendary Schwab's Drug Store is the Ala Moana Shopping Center across the street from the "Hawaii Five-O" production offices in Honolulu.

"Just by taking a stroll around there, I find hundreds of interesting faces and voices and do a lot of on-the-spot casting for both speaking and walk-on parts for the series," says Thorpe.

"Although Honolulu is a thriving metropolis, with a new population of 750,000 every six months be-

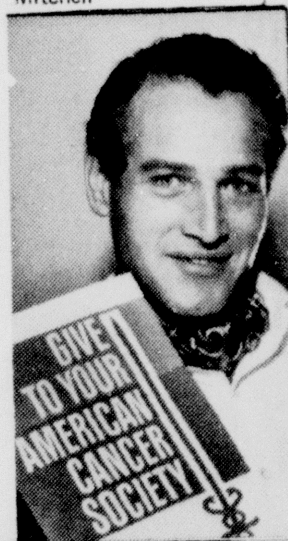

cause of the military turnover and tourist trade, the city retains a small-town, close-knit atmosphere, allowing established and unestablished talent an opportunity to work."

Local politicians — elected public officials or those campaigning for city or state offices — are also seen in guest roles on the series, which stars Jack Lord.

An average day sees approximately 15 aspirants being interviewed by Thorpe for consideration, with backgrounds ranging from beach boy to politician. As many as 20 roles may be filled in any one week with local talent.

Casting is a very important and sensitive operation in the islands, for the local people take a personal pride in the series.

"Hawaiians feel that 'Hawaii Five-O' is their very own," says Thorpe, "and that it is extremely prestigious to appear in an episode, especially since it's for national viewing."
